## ABOUT THE PROGRAM

The Facade Improvement Program was established by the Mount Plymouth-Sorrento Community Redevelopment Agency (CRA) to encourage commercial property and business owners to improve the exterior of buildings.

To qualify for the Facade Improvement Program, properties must be located within the Mount Plymouth-Sorrento CRA area. Projects selected to receive funding will be reimbursed for 50 percent of the cost up to \$2,500 maximum for a project totaling \$5,000 or more.

Commercial property owners and lessees must submit a completed application to the Department of Community Services at 315 W. Main St., Suite 233, Tavares, FL 32778, with all required attachments before any work begins in order to be eligible for reimbursement. All requests will be reviewed by CRA staff and may take up to a month for the approval/selection process. For further information, call the Community Services Department at 352-742-6589.

## ELIGIBILITY
